1. did we set the width? if we did, can we readjust for a smaller resolution  
2. currently cannot scroll down this page : About section displayed is too small  
3/4. move the tick up, so the add new is on one line  
5. This page is not user friendly...if we allow the user to scroll down the page we can fit everything nicely...its too cramped

The screenshot shows a web application interface for managing a neighborhood profile. On the left, a sidebar lists navigation items for 'Vista Kiara'. The main content area displays a neighborhood profile for 'Vista Kiara'. It includes sections for updating a cover photo (showing a building complex), a feature photo (showing the Malaysian flag), neighborhood name ('Vista Kiara'), emergency contact details (a phone number '0106650006' with edit and delete icons), and an about section describing the neighborhood as a freehold condominium in Kuala Lumpur. A red box highlights the 'EMERGENCY CONTACT DETAILS' section. The top of the page shows system status icons and the date/time 'Mon 14 Mar 7:14 PM'.

The screenshot shows a web application interface for a neighborhood profile. On the left, a sidebar menu lists options: Vista Kiara (selected), Dashboard, Notices, iReports, Messages, Directory, Alert Log, and Users. The main content area is titled "NEIGHBOURHOOD PROFILE" and contains sections for "UPDATE COVER PHOTO" (with a thumbnail of a residential complex), "NEIGHBOURHOOD NAME" (Vista Kiara), "EMERGENCY CONTACT DETAILS" (0126658836), "ABOUT NEIGHBOURHOOD" (unit size from 1,230 to 3,210 sqft per unit), and "ADDRESS" (Kuala Lumpur, Federal Territory of Kuala Lumpur, Malaysia). A red arrow points from the text "1. Clicking on any entry here should take us to Alert Log page" to the "Alert Log" section of the sidebar menu. An alert notification overlay is visible at the top right, listing four new alerts from users Vib, daryl, and others, with a "View all" link.

1. Clicking on any entry here should take us to Alert Log page

1. follow this style

2. display all old notices the same way, currently most recent is in expanded view. collapsed view is preferred

3. Not visible : make the fill WHITE with a border

fix the format of date displayed so the layout remains unchanged

The screenshot shows a web browser window for [ratiuscommunity.azurewebsites.net](https://ratiuscommunity.azurewebsites.net). The page title is "VISTA KIARA". On the left, there's a sidebar with a user profile picture placeholder ("min Image") and a list of menu items: Dashboard, Notices, iReports (which is selected and highlighted in blue), Messages, Directory, Alert Log, and Users. The main content area is titled "iREPORTS" and displays a table of messages. The table has columns: USER, CATEGORY, and MESSAGE. The data in the table is as follows:

| USER    | CATEGORY    | MESSAGE           |
|---------|-------------|-------------------|
| Vib Joe | Facilities  | Type              |
| Vib Joe | Facilities  | Hi                |
| Oil Poi | Security    | security          |
| Ali Ali | Flooding    | Hello             |
| Ali Ali | Landscaping | Wednesday testing |
| Ali Ali | Landscaping | Haha              |
| Ali Ali | Landscaping | Woo               |

A red arrow points from the text "this happens when choosing to sort : rename sorting option : most recent , from oldest" at the bottom to the "Ascending" dropdown menu in the top right corner of the table header, which is highlighted with a red box.

this happens when choosing to sort : rename sorting option : most recent , from oldest

The screenshot shows a web-based dashboard for 'VISTA KIARA'. At the top, there's a header bar with standard browser controls (back, forward, refresh) and a URL bar showing 'ratuscommunity.azurewebsites.net'. To the right of the URL are icons for notifications, user profile, and settings. On the left, a vertical sidebar lists navigation items: Dashboard, Notices, iReports, Messages, Directory (which is currently selected), Alert Log, and Users. The main content area is titled 'DIRECTORY' and features a grid of nine cards. The first row contains three cards: 'POLICE' (with a padlock icon), 'FIRE' (with a fire department logo), and 'HOSPITAL' (with a large blue 'H' icon). The second row contains two cards: 'COUNCIL' (with a dumbbell icon) and 'ELECTRICITY' (with a lightning bolt icon). The third row contains two cards: 'FOOD' (with a dumbbell icon) and 'SECURITY' (with a crown and shield logo). A ninth card, 'ADD NEW / DELETE', is located at the bottom right of the grid. Each card has a small circular 'Edit' icon in the top right corner.

UPDATE

The screenshot shows a web-based application interface for managing police stations. On the left, a sidebar lists navigation items: Dashboard, Notices, iReports, Messages, Directory (which is currently selected), Alert Log, and Users. The main content area has a blue header "VISTA KIARA" and a sub-header "POLICE". Below this is a table with columns "NO", "NAME", and "DESCRIPTION". Three entries are listed: entry 37 for "Jalan Setia Murni Police" described as "Station Cheif"; entry 38 for "Mont Kiara Police" also described as "Station Cheif"; and entry 96 for "vinster" described as "magician". To the right of the table is a detailed view of entry 37, featuring a circular logo with a teal and white design, enclosed in a red border. The details for entry 37 are: "Jalan Setia Murni Police", "Station Chief", phone number "+6032096130", and email link "E-MAIL". A blue "UPDATE" button is at the bottom of this panel.
